Pizza Dough Boxes

Save time, labor and money by increasing the storage life of your pizza dough. Dough Boxes prevent crusting, allow you to reduce the frequency of dough making, plus increase the storage life of your dough. This adds up to savings you can bank on. Loaded or unloaded Dough Boxes stack securely and will also stack with other brands. The rigid Polycarbonate construction is reinforced on all sides and edges are rounded for safety. They are dishwasher safe and won't bend, sag or lose their shape. And, because they're made of Polycarbonate, they won't break. The 18" x 26" cover fits both 3" and 6" dough boxes.
