Polysulfone Steamtable & Microwave Pans

Micro food pans are ideal for flash-freezing, cooking and reconstitution. They are built to beat the heat, perfect for extreme temperatures, from -40°F to +375°F. Micro food pans are impact resistance, stackable for convenient storage and dishwasher safe. Their smooth, distortion-free sides allow easy product identification and their textured bottoms are scratch resistant. Available in amber or black.

Polycarbonate Food Pans

For all-purpose handling, Cam-wear food pans provide three-in-one-service: storage, transportation and serving display. The ultimate in versatility! They are built to beat the heat, perfect for extreme temperatures, from -40°F to +210°F. Clear Cam-wear Polycarbonate allows for quick identification of contents. Cam-wear Food Pans offer smooth surfaces for easy cleaning and textured bottoms for scratch resistance. They are stackable, with or without covers. Also available in black or white.
